TRIAC ST

EURODEK PRODUCTS

LEISTER TRIAC ST HEAT WELDER

60 years of expertise in making hot-air tools has gone into the development of the new Leister TRIAC ST. Like its predecessor the TRIAC S, the ST is built on reliability and versatility. It features a two component handle for ideal grip and tool balance, and weighs in at less than 1 kg. Leister has been the heat welder of choice for waterproofing professionals for over 35 years and we continue to depend on them day in and day out.

TRIAC ST:

- Sturdy lightweight balanced design.
- Trusted Swiss made quality.
- 2 removable quick clean air filters.

ACCESORIES:

- 20 mm Slot Nozzle.
- Single Arm Welding Roller.
- Replacement elements.
- Storage / Carrying case.

PACKAGING:

- Sold with 20 mm slot nozzle & case.
